Get your funds flowing for property improvement loans

Get your funding for your client's next property improvement project

Get your property specialist insight for the importance of well-maintained buildings where funds are free flowing. With interest net deducted from the initial advance there's more funding available from day one and no formal application.

Flexible

- Borrowers can draw up to 30% of initial market value from day one
- Interest only facility, so you can draw up into the facility up to a maximum of 10% of Gross Development Value (GDV)
- Term of up to 18 months
- No fees
- Non-regulated loans only

Reliable

- Interest at 0.9% per month
- Interest only facility available to fund improvements with themselves

Funded Works Improvement Loan

- Interest at 0.9% per month
- Interest only facility available to fund improvements with themselves

Please contact the bridging finance team at 0161 200 1100 to discuss suitable applications for the property improvement loans or visit www.utb.co.uk

The 0161 200 1100 number is for business customers only. Please do not call from a mobile phone.
